

Business

The courses taught in the Business Department prepare students for the challenges of the 21st Century by introducing them to the world of business. They emphasise the ever-changing character of business, the diverse nature of business enterprise and the interdependence of the various parts of the business world. Students have the experience of studying business from a variety of perspectives. Students are provided with many life skills such as communication, problem solving, time management, team work and decision making. Whether your aim is to

pursue an academic career, train for a profession or become an entrepreneur the necessary knowledge and skills will be provided.
