Dear Parent/Guardian

Re: Year 10, 11 and 13 - Examination grades update

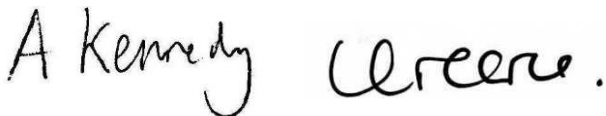

With reference to our email regarding the further guidance of the grading of GCSEs and A Levels released by the DofE yesterday, we are asking you not to contact your daughter's teachers or the school asking about specific predicted grades at this time. We want to assure you that we will do all we can to support you and your daughter through this process, but we will not be able to comment on grades currently.

For those in Year 10, we are currently reviewing the situation regarding the PoR exam.

We understand that these are uncertain times for you and your daughter and we thank you for your co-operation.

Please be assured, we will be giving regular updates when we have further information.

Yours sincerely

Mrs Kennedy and Mrs Pearce
