

25th February 2020

Dear Parent/Guardian

RE: Coronavirus

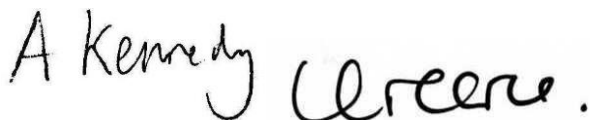

As you may be aware from the news over the last 24 hours, there have been some confirmed cases of the Coronavirus in parts of Northern Italy. As our school ski trip has just returned from Italy, on the advice of NHS 111, we have taken the precaution of sending home, today, all the staff and students that went on that trip.

Public Health England called us in the last hour and confirmed that there have been no cases of Coronavirus at our resort. They reassured us that unless the students on the ski trip display flu-like symptoms, there is no need for any further self-isolation or for school to take any other special measures. The students who were on the trip will be back in school tomorrow.

Public Health England will be in touch with us if this changes and we will keep you updated if we receive any further information.

We have also attached guidance from Public Health England
