Dear Parent/Guardian

Re: Keynes Society @ Eton College

We have been invited to attend the following lectures being given by renowned economists;

Tuesday 6th March

Professor Jonathan Haskel

Professor Haskel is the author of the recently released *Capitalism Without Capital* and a Professor of Economics at Imperial Business School. He promises to deliver an insightful talk into how our economy is being revolutionised by rapidly growing investment in intangible assets, and the implications of such a seismic shift.

Tuesday 13th March

Professor Anthony Venables

Professor Venables is the BP Professor of Economics at Oxford and Director of the Oxford Centre for Resource Rich Economies. He is one of the most influential development economists of the 21st Century. His experience as Chief Economist at the Government Department for International Development should shine through in this talk.

They are being held at Eton College start at 8.45pm. Students will need to make their own transport arrangements and meet us at the Porter's Lodge, Eton **no later than 8.30pm**. The lecture will be finished no later than 10.00pm. Students are expected to make their own way there and back.

We are limited to 10 students and will operate on a first come first served basis, so if you would like your daughter/son to attend one or both of these events, please click on the link in the email to complete consent online or go to <https://www.surveymonkey.co.uk/r/EtonMarch2018>, to complete the consent.

This is a voluntary activity and we reserve the right to cancel should there be insufficient interest.

Thank you for your support.

Yours sincerely

Mrs M Styles
Head of Economics and Business Studies
