Dear Parent/Guardian,

**RE: Aprons - Design & Technology/Food Practical lessons**

I am writing to update you regarding your daughter's Design & Technology practical lessons in September.

In our Design & Technology and Food lessons the school have provided an apron for all students to protect their uniform from dust or food ingredients during their practical lessons. As these aprons are shared by all students under the new guide lines we feel this is something we cannot continue to do.

Therefore, from September we are requesting each student provides their own apron and takes it home to wash in between their D&T and Food practical lessons.

We would like students to bring in any fabric apron similar to the one shown here.

If you do not have an apron that is similar we are offering through wise pay the option to buy the apron shown, for the sum of £5.00.

Payment for the apron needs to be made via WisePay; simply login to your WisePay account and go to Shop. If you need a reminder of your WisePay login please e-mail [w.simmons@holt.wokingham.sch.uk](mailto:w.simmons@holt.wokingham.sch.uk)  
In the event of difficulties using this system, please telephone Mrs Simmons, the Deputy School Business Manager. Pay £5 and we will have an apron available in September for your daughter.

Thank you for your support in advance.

Yours sincerely

Therese Williams  
Head of Faculty - Design & Technology and Textiles
