

5th November 2020

Dear Parents and Guardians

We are away of some capacity issues on the Leopard 3 bus service between Wokingham and Finchampstead particularly during the afternoons. The reason this seems to be occurring is due to the reduced number of seats available on the Leopard 3 vehicle as a result of social distancing.

The 244H is an additional service which has been put on solely for the use of Holt students using additional funding from the Department of Education. The 244H is a Horseman Coach service which also runs between Wokingham, Finchampstead and Arborfield serving the Barkham Road and Barkham Street.

From Monday 9th November we have agreed with both operators that any pre-purchased Reading Buses tickets will be accepted on the 244H. Any student who doesn't have a pre-purchased Reading Buses or Horseman Coaches ticket and wants to board the 244H would be asked to pay the appropriate fare for their journey.

Kind Regards
