

January 2018

Dear Parent/Guardian

Re: Holt School expedition to Philippines 2019 parent information evening.

This week your daughter/son has had an assembly introducing an exciting opportunity to take part in an expedition to the Philippines in the summer of 2019. The expedition is led by Adventure Lifesigns, an organisation we have used for expeditions to India, Kenya and Uganda in previous years. The expedition has a number of features to it including a mountain and jungle trek, a community volunteering project and opportunities to visit a variety of local towns and cities in the area.

There will be a parent information evening on the **17th January at 7pm in the Sixth Form Centre**, for any parents and students interested in this exciting opportunity. In the assembly, students have been given a slip to register their interest, so we ask that students please return this to Mr Gray if they are intending to come to the information evening so we can have an idea of numbers to expect. The information evening will be run by a representative from Adventure Lifesigns who will give a detailed overview of the expedition and the next stages involved.

We do hope your daughter/son will be interested in finding out more about this opportunity.

Yours sincerely

Mr. A. Gray
