

28th February 2019

Dear Parent/Guardian

Re: Yrs 10 & 11 - Oxbridge Parents Meeting at Wellington College

Due to the success and take up of last year's Oxbridge Parents meeting at Wellington College we will once again be holding this event to inform parents about all things Oxbridge. We have arranged for the Wellington College Oxbridge team to deliver a presentation to parents of Year 10/11 students. This will be held on **Wednesday, 13th March** in the **Drivers Rooms at Wellington College** from **6.00pm-7.30pm**. As space in the Drivers Rooms is limited to 80 it is primarily aimed at parents only, however if some parents need to bring their son/daughter, they will need to include this information in their booking request. For many students this will not be new information if your Oxbridge contacts have already visited your school recently to speak to your students. I have attached a flyer which can be emailed to parents giving all the details.

I will take bookings on a first come, first served basis via a link on the flyer and also on the email shown below. I will email everyone back with a confirmation of spaces booked according to availability.

Previously we have had discussions about how we can demonstrate to potential Oxbridge students the support that they would receive if they stayed onto your sixth form as opposed to moving over to Farnborough Sixth Form College for instance. This parents meeting would be an excellent opportunity to highlight this and so I would like to invite Oxbridge Coordinators and Sixth Form heads to participate as well. The main part of the evening will be a presentation about Oxford/Cambridge followed by a short discussion about the Oxbridge events we deliver here to support your Oxbridge students. After which we will have refreshments and a Q&A session.

Again we had many parents stay behind at last year's meeting to ask questions, where possible we did help but due to a shortage of staff, we simply ran out of time. **If you are interested in attending and helping please let me know.**

To book places at this event please email: issp@wellingtoncollege.org.uk

We will need the following information: Name of Student, Name of Parent, Name of School, Number of people attending, email contact details.

If you have any questions please email me.
