Dear Parent/Guardian

PARENT GOVERNOR ELECTION

After several years service to the school, two of our Parent Governors have come to the end of their terms of office. They have been vital members of the Governing body giving freely of their time and we would like to take this opportunity to thank them for the valuable work that they have done. This is a great opportunity to get involved and make a difference and we therefore invite parents who wish to stand for election to put their names forward.

A Parent Governor must be a parent (parent includes a guardian or a person who has the actual custody of the student) of a registered student at the school, be nominated by parents and elected by parents in a secret ballot. Whilst we welcome nominations from all parents, we would particularly welcome candidates with expertise in the fields of finance and qualified accountants and property/building. However, the best qualities we are looking for is an ability to listen, to seek to understand, to ask probing questions and share knowledge from their own area of expertise in order to further the school.

Role of Parent Governor

As an academy Governors automatically become Company Directors. The normal term of office is four years. Governors are expected to discuss a wide range of matters relating to the school but do not represent any particular viewpoint or group of people. If you are interested in this role more information can be found on <http://www.sgoss.org.uk>. Training is available and there is an expectation that all new Governors will attend induction training provided by Wokingham Borough Council. New Governors would also be subject to an enhanced Disclosure Barring Service check.

Meetings

The Governing Body meets a minimum of four times a year, with two sub committees (Finance and Premises and Standards and Curriculum) meeting at least once a term. Governors are expected to attend at least one of these committees on a regular basis. Meetings are mainly held at the school and usually start at 6.30pm except for one of the Governing Body meetings which starts at 1.25pm; this enables Governors to meet with groups of staff for lunch. A schedule of meetings is agreed in July for the coming academic year. The first meeting of the Governing Body following the election will be held on the 21st October 2019 at 6.30pm. Governors would also be expected to attend other ad hoc meetings which may need to be held during the day. These meetings are only called if absolutely necessary. Additionally Governors will be asked to contribute to other aspects of school life including parents evening and interviews. Governors are also linked to departments in order to help them gain a better understanding of the workings of the school and to support the departments.

If you have a genuine interest in young people and the changing needs of the next generation then we look forward to hearing from you.

The arrangements for the Parent Governors' election and the nomination forms are enclosed.

Should you require any further information please do not hesitate to contact our Clerk to the Governors, Mrs Carole Hodges at the school (c.hodges@holt.wokingham.sch.uk).

Yours sincerely
