

February 2020

Dear Parents, Guardians and Students

Post 18 Options Evening: Thursday 12th March 2020

We will be holding a Post 18 Options Evening for Year 12 on Thursday 12th March at 6.30pm in the school hall.

The evening will explain the different routes that students can take after their A levels. We will cover

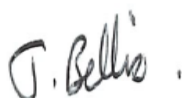

- The benefits of going to university – a presentation will be given by a representative from Reading University
- Factors to consider when choosing a course to study
- Factors to consider when shortlisting universities
- The process and timeline for university applications including information about early entry required for some courses and Oxbridge applications.
- The importance of taking on enrichment and work experience opportunities over the next eight months to support the personal statement.
- Information on apprenticeships and we have an ex-student to talk about her apprenticeship that she chose to take over her university offer and also a representative from Bracknell and Wokingham College who will explain more about post A level apprenticeships.

We recommend that all students attend along with their parent/guardians and we look forward to seeing you on the 12th March at 6.30pm.
