

February 2018

Dear Parent/Guardian

**Re: Royal Berkshire 3K Mini Marathon and Royal Berkshire 10K  
Sunday 20<sup>th</sup> May 2018 – 9:30am**

As a result of the successful number of competitors from The Holt School in previous years, we are again encouraging girls and boys to get involved in the Royal Berkshire 3K School Challenge or 10km race on Sunday 20<sup>th</sup> May. The Mini Marathon is a 3km race and as a school we are trying to encourage as many students and staff as possible to enter the event. Any students who are over 15 will be able to enter the 10km race if they wish. Details of the website are below and students just need to select The Holt School from the drop down menu when they enter.

All races are chip timed and this year there will be an official school challenge with awards for individuals and whole school sporting effort and participation. There will be awards for the first three girls and boys in each category as well as awards for the first three schools based-upon the top three combined running times. There will also be a Schools Participation Award for the school with the greatest representation in 2018. I am confident that we can be a strong contender for this award.

Students will have to make their own way to the event and parents/guardians will be responsible for them throughout the event. However, Miss Godfrey will be there on the day to support and is also running in the 10km event herself.

It would be great if you and your son or daughter would be interested in taking part in what is a fantastic event. All runners will receive a medal and t-shirt when they finish.

Website address: <http://www.royalberks10k.com/>

I look forward to seeing you at the event in May.

Yours sincerely

Anna Godfrey  
Acting Head of Physical Education Department  
The Holt School
