

Back to School

Heading back to school on our trains?

Your journey to school may look slightly different than before the lockdown

We'll keep you safe, but we need you to help by following these simple steps:

Wear a face covering

If you are aged 11+, you must wear a face covering on our trains and stations, unless you are exempt. **If you don't you could end up paying a £100 fine.**

Keep your distance

You must maintain social distancing as much as possible, including with your friends. When finding a seat in a carriage, spread out as much as possible.

Wash your hands

You should wash your hands frequently. Some of our stations also have hand sanitiser machines, so you can use these too.

Check your journey

We are running an amended timetable, so some trains may leave or arrive at different times. Check our website or app for the latest info so you're not late for school

Buy your ticket before you travel

To avoid queuing at the station on your first day back, buy your ticket beforehand on our app or website.

Follow the instructions of our staff

You may see more staff at our stations in the first few weeks of term. They'll be there to make sure you can travel safely, so make sure to follow their instructions.
