

December 2017

Dear Parent/Guardian

RE: Year 10 Triple visit to GCSE Science Live in Oxford

An opportunity has arisen for the year 10 triple students to hear and see five of Britain's top scientists who are all working at the cutting edge of their specialisms. Some of these include Dr Robert Winston, a distinguished scientist in the field of fertility and Maggie Aderin-Pocock who is an inspiring space scientist and lecturer. Additionally, an experienced science examiner will give top tips for exam success. The talks run between 10.45am and 3pm, with the opportunity for questions after each session. This is a great opportunity to hear scientists who are passionate in a range of fields talk about recent developments.

The day is run by Science Live and is at the New Theatre in Oxford on Friday 19th January 2018.

We will be leaving school at 09.00 and returning by 16.30 (approximately).

We are asking for a voluntary contribution of £33.00 to cover the cost of the coach fare, Science Live costs and insurance. Unfortunately we cannot refund this trip if your daughter decides to withdraw at a later date. This is due to the price being based on a fixed number of students in the group. We reserve the right to cancel this trip if we don't have a large enough uptake to make it viable.

Payment for the trip needs to be made via WisePay; simply login to your WisePay account for details. If you need a reminder of your WisePay login please e-mail j.gale@holt.wokingham.sch.uk. In the event of difficulties using this system, please telephone Mrs Simmons, the School Finance Manager

There is no separate consent, you paying for the trip is giving consent. However, ***if the school receives Pupil Premium funding for your child***, then please give your consent here <https://www.surveymonkey.co.uk/r/PP2017-18> and do not make a payment.

Deadline for this trip is Wednesday 13th December.

Yours sincerely

Mrs R Nayyar
Head of Science
