Dear Parents/Guardians

### **Year 12 Parents' Information Evening**

We would like to invite you to the Year 12 Parents' Information Evening on Wednesday 20<sup>th</sup> September at 7pm in the school hall.

The transition from GCSE's to post 16 study is exciting but also challenging for many and it is important to get the best possible start to life in the sixth form. The aim of this evening is to give parents and students some insight in to the academic demands of post 16 study and to explain the monitoring and support programme that all students will experience once they start in the sixth form.

In addition, the many opportunities that exist for personal and social development as a sixth form student will be explained and there will be the opportunity for you to ask any questions that you may have.

We look forward to meeting you on the evening. In the meantime, if you have any questions regarding the evening, please do not hesitate to contact one of us.

Yours sincerely
