Dear Parent/Guardian

**Re: Year 10 - GCSE Separate Sciences (Triple) OCR Gateway Revision Guides  
10xyScT1, 10xyScT2**

The Science Faculty at The Holt School would like to provide both independent and guided revision support to the students who are studying triple science in Years 10 and 11.

We have identified revision material published by Collins that we feel is highly appropriate for our students and which has the additional advantage of being specific to the GCSE Physics / Chemistry / Biology OCR Gateway courses that your daughter is studying.

We have Physics, Chemistry and Biology All-in-One Revision and Practice guides from the publisher, which we can offer you at the reduced price of £3.99 each.

Total cost for a set of guides for sciences is £11.97

These can be bought by logging into your daughter's Wise Pay account, clicking on Shop and then Science. Once payment has been made, your daughter will receive her books in her science lesson.

Yours sincerely

Mrs R Nayyar  
Head of Science
