Dear Parent/Guardian

Year 10 POR PPE Exam

Following on from my letter in the summer term, we have had to amend the date of the Year 10 PPE exam. The exam will now take place on 17th November 2020 and not the 12th November as previously stated.

The purpose of the exam is to allow students the opportunity to experience a formal exam situation and also to encourage students to start the revision process for the GCSE exam in the summer term.

Any questions please do not hesitate to get in touch.

Yours sincerely
