Dear Parent/Guardian

Re: Year 7 Concert – Thursday 18th October 7pm

We are providing all of Year 7 an exciting opportunity to perform in a concert singing a selection of songs from Disney films on Thursday 18th October at 7pm. We are rehearsing these pieces as part of our music lessons, and we hope your daughter will be able to attend the concert on the day.

In addition to the musical songs, there will also be some instrumental solo performances chosen from Year 7 students. If your daughter would be interested in performing a solo on an instrument, please encourage her to speak to her music teacher in her next lesson. We cannot guarantee that all students wanting to perform a solo will be able to in this concert, but we will aim to include as many as possible.

On the day of the concert, all students taking part will need to arrive back at school by 6:30pm and go to Mu2 and the Drama Hall to be registered. All students should wear full school uniform. The concert will finish at approximately 8pm, at which time students can be collected by parents.

If you would like to join us on this occasion, tickets cost £3. They will be available to purchase through students' catering accounts in the Holt Café from Wednesday 3rd October. Due to limited capacity in the hall, we will be limiting tickets to two per student in the first instance, and will notify students if further tickets become available. Please note this event is likely to sell out, so please buy tickets early to avoid disappointment.

We do hope your daughter will be able to take part in this fabulous opportunity. To register your response, please click on the following link <https://www.surveymonkey.co.uk/r/Year7Concert2018> by Friday 12th October.

Yours sincerely

Andrew Gray
