18th November 2019

Dear Parent/Guardian,

**Re: Year 9 – Last Orders Performance on Thursday 21st
November 9.00am – 11.00am.**

As part of our broad PSHE curriculum, our students are taught about the consequences of underage drinking in Year 9. We have a successful partnership working with Wokingham Borough Council and the Solomon Theatre Company, who deliver a thought provoking performance to tackle the key issues related to this topic.

On Thursday 21st November all students in the year group will be attending the performance during lesson 1. During lesson 2 there will be a mix of presentations and Q&A sessions facilitated by the Lead Officer of Crime Prevention and Health from the Council and a member of the youth drug and alcohol service SMART.

We do hope that you agree about the importance of ensuring that our students are aware of the associated risks and consequences of underage drinking but also that it important to provide them with a forum where they can ask questions to improve their knowledge and understanding.

If you have any questions regarding this performance, please do not hesitate to contact me.

Yours sincerely,

Mrs M Dakovic

Head of Social Sciences/Head of PSHE
