Dear Parent/Guardian

Re: Yr 11A/NEA2 GCSE Food Preparation and Nutrition

Welcome back to the start of the Spring Term 2019. Our main focus this term will be the completion of the NEA 2 task.

NEA2 is a Food Preparation Task which is **35%** of the final grade.

This task involves a lot of cooking and pupils will need to produce a portfolio to show research, practical skills demonstrated, time plans, nutritional analysis and costings for **all** dishes. This task includes a **3 hour practical exam**. This exam will take place in February 2019 with the date confirmed on the programme manager document attached.

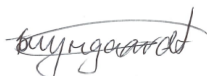

I will be providing after school catch up on Wednesday and Thursday after school until 5pm in T6 and lunchtime support will be available on Monday, Tuesday and Wednesday after the half-way bell in T6 for the duration of the task.

The programme manager document clearly shows key dates, tasks and deadlines for handing in work. Your daughter has her own copy so that she can be prepared for the requirements of each lesson.

If you have any other enquiries about the course, please do not hesitate to contact me at T.VanWyngaardt@holt.wokingham.sch.uk

Thank you for your continued support.

Yours sincerely

Mrs Van Wyngaardt
Head of Food and Nutrition
