April 2019

Dear Parent/Guardian

Re: Yr 9 Spanish students and visiting students from El Bohio School, Spain

The Spanish department believes that learning a language is about more than just grammar and vocabulary. Therefore, we are very pleased to be receiving a visit from 28 students and their teachers from El Bohio School, Spain, on Wednesday 8th May. During the day the students will be touring the school and visiting Wokingham. They will also be staying after school to spend some time with the Year 9 students of Spanish. The idea is to have a 'bring and share' picnic, spend some time socialising and practising their Spanish language skills.

This event is open to all students in Year 9 who study Spanish, and will take place after school, between 3.30 and 4.30 pm, on **Wednesday 8th May 2019** on the school field, weather permitting.

This is an optional occasion and we ask you to make a contribution of some food or drink to the picnic, to be brought in on the day. Please note that nuts are not to be brought into school for the picnic but if your daughter suffers from a nut allergy we cannot guarantee a completely nut free environment.

Please can you follow the survey link to confirm your permission for your daughter to stay after school for this event. The deadline for completion is **Monday 6th May 2019**: [Year 9 Holt School and El Bohio School picnic 8 May 2019](#)

We also ask that you arrange to transport your daughter home afterwards.

Yours sincerely

Mrs N Stoker
Head of Spanish
